

## Interest Centers On Election For Local Officials

### Eastern Placer and Nevada County Supervisors Facing Tests

Contests in nearly every ballot race in the Tuesday, June 3, primary election is expected to bring a large turnout of electors here and in the Lake Tahoe region.

The 824 registered electors in the 5th Nevada County district, which embraces Truckee, Soda Springs, Floriston and You Bet, will choose between incumbent Supervisor Henry G. Loehr, currently chairman of the board, and James McIver Jr. At the same time, they will take part in the voting between Superior Court Judge James Snell and District Attorney Vernon Stoll, who is campaigning to unseat the incumbent and take his place.

Douglas Barrett and B. W. Reynolds have filed for the two vacancies on the Republican County Central Committee from this district. While there have been no filings on the Democratic committee, Joe Mattos has indicated he will accept if elected by write-in votes. F. W. Wilson, incumbent justice of the Truckee Judicial District, is unopposed for election to the six year term.

**At Lake Tahoe**  
At the Lake Tahoe precincts, interest centers over the contest for the consolidated justice court, post between Judge C. W. Vernon of Tahoe City and Judge Harry Charrison of Kings Beach. Under a court reorganization, the two have been combined under one justice.

In addition, both Placer County plegate represents the 4th district of the lake have opposition in re-supervisors representing sections election bids. Frank Paoli of Ap- which includes the area from Carnelian Bay north, while L. L. Anderson of Foresthill represents the 5th district, which embraces the area from Carnelian Bay to the El Dorado County line.

Of course, all electors will take part in balloting for congressional, legislative and presidential preference candidates.

#### Congressional Race

Representative Clair Engle is unopposed for his own Democratic nomination for re-election but Claude H. Van Norman of Lone Pine opposes him on the Republican ballots. Incumbent U. S. Senator William Knowland is seeking both major party nominations for re-election, being opposed by three other candidates, all from southern California. Incumbent Francis Lindsay of Loomis is being challenged for the state assembly position from this district by Bliss Harper of Placerville.

On the presidential preference section of the ballot, Democrats will choose between Senator Estes Kefauver of Tennessee and Edmund G. Brown of San Francisco, attorney general of California and favorite son candidate. Republicans have a choice between Governor Earl Warren and a slate pledged to Thomas H. Werdel of Bakersfield, whose main aim is to defeat Warren's presidential aspirations.

The election of delegate slates for president is the only one which does not provide for a write-in on the June 3 ballot.

### Rebekahs Plan Welcome For Assembly President

Noble Grand Pearl Heller presided at the regular meeting of Naomi Rebekah Lodge last night. Lorraine Tuohy was welcomed into the lodge as a new member by transfer from Danville. Elmay Lawrence of Oregon and Kay Johnson of Danville were introduced as visitors.

Plans were started for the official visit of Ethel Garner, president of the Rebekah Assembly, on June 25. Ruth Campbell reported on the recent Rebekah convention at Long Beach, to which she was a delegate.

The members enjoyed delicious refreshments served by Dorothy Kay and Winifred Kamp, before proceeding with the hospital scrap books.

A Flag Day program is scheduled for the next meeting.

### Roseville Man Named To Replace Farley

Warren Jones of Roseville will replace Russell Farley as liquor division representative for the state board of equalization in this area, starting next week, and will visit the district from the Auburn office each Wednesday and Thursday. Farley is being promoted to the Sacramento enforcement division office.

Jones, accompanied by Don Greeley, board official, was here yesterday getting acquainted with the territory.

## GAGE MOVED UP TO PORT POSITION AT SAN DIEGO

W. C. Gage, veteran employee of the state department of agriculture and since 1942 senior inspector at the Truckee quarantine station, has received word of his transfer to San Diego effective June 15.

Immediately following receipt of word of his promotion, Mrs. Gage, who has been teaching in the Truckee elementary school for the past several years, announced she was resigning to accompany her husband to the southland where he will work at the port.

Gage started with the department of agriculture at Yuma in 1929, where he remained until 1934 where he remained until 1939 when he moved to the Redwood Highway, until 1942. The Gages own their home here and both have been active in community and civic affairs.

Mrs. Gage is a past president of the Wyethia Women's Club and has been active in PTA and other local organizations. Gage is a past president of the Lions Club. Both will be greatly missed by their scores of friends who will join in wishing them the best of everything in their new home.

Neely Gardner, supervising inspector for this district, was expected here this week to discuss Gage's replacement.

In his new work, the local man will supervise ship inspections.

## Letting Minor Drive Unlicensed Draws Fine

Mrs. Louise Walker of Tahoe Vista was fined \$50 by Judge F. W. Wilson of Truckee this week for permitting a minor to operate her automobile without an operator's license. The teen-age girl in the case was involved in an accident on the Hobart Mills road last month in which she and another girl were injured. The car was a total loss.

## Amedeo Nieri to Visit Relatives in Europe

Amedeo Nieri, veteran Truckee Southern Pacific employee, is leaving June 14 for a three months visit to his native state of Lucca, Italy. The local man will visit a brother and sister whom he has not seen for 35 years.

## Andrea Armati Quits As Rural Scavenger

Effective June 1, Andrea Armati will discontinue collecting garbage in the area outside the Truckee Sanitary District and the work will be taken over by Paul Rausch and Sons, current district collector. Armati has taken a job with the Stockton Box Company mill.

## Fishing Season On Streams To Open Tomorrow

### Report Kokanee Catches At Donner Lake; Streams High

The trout fishing season on streams in this district will open tomorrow morning and although many streams are still too high and others inaccessible, anglers are expected to find average results in most areas.

In the meantime, the kokanee at Donner Lake have started striking and scores of good catches have been reported during the past week by minnow trollers. Tahoe, too, reports continued good catches of mackinaw.

The only closed streams in Nevada County after tomorrow will be tributaries of Independence Lake and within a radius of 300 feet of inlets. All tributaries to French Lake are closed. Blackwood and Ward Creeks at Lake Tahoe will not open until June 30 and the Truckee River is closed down to 1,000 feet below the Tahoe Dam.

An incentive to snare a large trout from the Truckee River or its tributaries, excepting Donner, Webber or Tahoe Lakes, is being promoted by Slim Ellert of the Truckee Sport Shop, who is offering a prize for the largest trout caught there during the first three days of the season. All that is required to enter is to sign up at the Sport Shop.

Anglers are urged to obtain a free copy of the 1952 regulations before starting out, as there are some important changes.

## Wyethia Women Invited To Tahoe Club Luncheon

Members of the Wyethia Women's Club have been invited to attend the annual Spring Luncheon given by the Tahoe Women's Club June 5 at 1 p.m. Reservations should be made with either Mrs. Phil Geier or Mrs. I. D. Mitchell at Tahoe City by June 3. Tickets are \$1.50 each.

## Volunteer Firemen Called Out Tuesday

The Truckee Volunteer Fire Department was called out Tuesday afternoon to extinguish a lustrous debris fire on the alley back of Commercial Row. Despite the fact there were buildings dangerously close, the fire was confined to the trash pile and no damage was done.

## Mrs. Elf Resigns Job In Railroad Office

Mrs. Royal Elf, who has been secretary to Glenn Miller, roadmaster in the local Southern Pacific office, and employed there for the past two years, has resigned the position, effective today. Mrs. Elf's successor to the job has not as yet been named.

## Rotarians Hear Plan for Big Donner Trail Hike

The Truckee Rotary Club met Monday evening at Brown's Cafe. Ted O'Connor of Truckee gave a brief account of a future plan to develop the Donner Trail into a new business adventure and outlined publicity plans. He directed thought along the line of an international walking contest, in which competitors from various parts of the world would take part.

New members inducted into the club were George Bettencourt, club accountant, and Alvah Hooper, Truckee Laundromat operator and mortician. Veraldo Moratori of the Fairfield-Suisun Rotary was a visitor.

The next meeting will be at Donner Lake Lodge Monday, June 2. The Rotarians will have as their guests the graduating seniors of the local high school, with a program planned for the young people.

M. F. Small, personal representative of Governor Earl Warren; State Senator Harold Johnson of Roseville and Assemblyman Francis Lindsay were among state officials visiting here this week.

## Sun Beams

by Walter M. Barreft

One admirable fact about Truckee and Tahoe baseball fans is that regardless of the score, they are out there in good numbers supporting their team. We doubt if any other team in the league has larger turnouts for home games than Truckee — and this despite the fact that in six straight starts the locals have lost six games, most of them by huge, lopsided scores. The fans know that the fellows are out on the field doing their best, and if the breaks go against them, the fans are sympathetic rather than critical. They have been a good bunch of sports and their support is appreciated by the team.

Tuesday will be election day. To the more than 800 registered voters in the district, this should mean it is one of the most important days of the year for it gives them an opportunity to express their wishes in the matter for government and may even decide critical issues seen for the future. Millions of people throughout the world would give all they possess for the opportunity which will be ours next Tuesday. By all means, get to the polls and exercise this great birthright. We can prove to the state and county that we are vitally interested in our future.

The turnout at the annual carnival sponsored by the student body of the high school was most gratifying. Students and faculty members alike voiced their appreciation not only for the financial support but for the interest shown in student activities. Particular thanks was expressed for the many donations from local merchants which contributed to the success of the venture.

## FLORISTON FOLKS MUST ANTE MORE ON BRIDGE DEAL

Residents of Floriston have raised another \$937.50 to add to the \$7500 they had already raised to provide a new bridge across the Truckee River at that community, and the money is on deposit with the county treasurer.

Supervisor H. G. Loehr met with the residents of Floriston last week and explained the situation. They deposited \$7500 with Nevada County officials, asking the latter to get equal matching money from the state's flood damage funds under Chapter 13.

They pointed out the bridge had been washed away by the flooded river in November, 1950, and since then they have not been able to get vehicles to their town from Highway 40.

The supervisors received an estimate of \$16,875 from Road Commissioner J. F. O'Connor for the total job. They instructed their chairman, Loehr of Truckee, to see if the Floriston people will put up \$937.50 more to make up half the cost. If so, O'Connor is to ask the state for \$8,437.50 matching money and the work may proceed.

The county has agreed to take over maintenance of the bridge and of the road connecting with Highway 40 if the bridge is built. It has obtained rights of entry across private property for the purpose.

## Truckee Justice Pays-In \$2712 in Fees and Fines

Among pay-ins to County Treasurer Elma Hecker last month was the sum of \$2712.50 from fines and fees collected here by Justice of the Peace F. W. Wilson for the month of April.

Justice court fines and fees from Grass Valley totaled \$1128.25 and from Nevada City \$166.50.

## Daryl Gaiennie Assumes New Position in Missouri

Daryl Gaiennie, former Truckee man and son of Mr. and Mrs. Frank Gaiennie of this town, has arrived in Missouri to assume his duties as general manager for a power company. Among the first official functions which he attended, he was elected as first vice president of the concern.

## Truckee Loses To Nevada City In Local Game

### Home Run Tatoo Is Heard As Nine Round Trips Are Talled

Although Truckee picked up enough hits and runs to win two average baseball games Sunday, they were unprepared for the onslaught by the Nevada City crew of the Placer-Nevada league and dropped the local contest 28 to 13.

Shortage of pitchers appears as Truckee's biggest handicap. Mike Korich, a good catcher and spark-plug of the locals, started on the mound Sunday and did a fair job, striking out five and walking only five, but allowed 15 hits in the seven innings he pitched. Manager John Rau relieved Korich but quit after walking four batters and Frank Giovannoni was called in from shortstop to finish the contest.

Rau said this week he is negotiating for a pitcher to start in the game with Lincoln at Lincoln Sunday.

Most of the locals did a good job hitting Sunday in the game featured by nine home runs, three of them by Fouyer, visiting catcher, who hit five for six and batted in eight runs. Rau, up to bat twice, hit a homer and a single. Jackson got four for five, including a homer. Frates hit three for four with a homer and Giovannoni got two for four with his circuit clout. Pitcher Fischer batted four for five with a home run.

Bud Owens went in as relief catcher in the seventh and in his three times at bat poled a homer. Campbell played faultless left field but failed to connect at bat. Stark got one for five, as did Korich and Wakefield. Reid and Goicoa failed to hit.

The score: R H E  
Nevada City ..... 28 25 5  
Truckee ..... 13 15 5  
Fischer, Trathen and Fouyer; Korich, Rau, Giovannoni and Frates, Owens.

## TWO IN HOSPITAL AFTER ACCIDENT WEDNESDAY A.M.

Two men were taken to the Tahoe Forest Hospital by Truckee ambulance at 3:30 o'clock yesterday morning after a car driven by Frank N. Varela, 28, Brawley, was wrecked at Hirschdale.

Varela and Luis Meblez, 64, of Bakersfield were hurt when the car plowed through 40 feet of guard rail and then overturned several times.

State Patrolman William Gautsche said there was evidence the car was traveling at an excessive rate of speed and was on the wrong side of the highway. The vehicle was demolished.

## Eastern Star Members Planning Busy Week

Officers and members of Order of Eastern Star Chapter 116 plan to attend the official visit of the worthy grand matron at Portola Monday evening, June 2, and will hold their regular meeting here Tuesday evening, June 3.

One-hundred local and visiting members of the order were present at the May 20 meeting when Mildred Lambert of Portola, deputy grand matron of the fifth district, made her official visit and was presented with a gift. Ida Crandall, worthy matron, and Stanley Zwarg, worthy patron, presided.

## San Franciscan Hurt In Rainbow Collision

Claude F. Pynch, 45, San Francisco, was treated for injuries at the Tahoe Forest Hospital after his car collided with a truck driven by Kenneth E. Norton of Provo, Utah, near Rainbow Sunday morning at 5 o'clock.

Patrolman William Gautsche cited Pynch for being on the wrong side of the highway.

## Hardis Here—

Mr. and Mrs. Eugene Hardi and family spent the weekend here with relatives and friends. They are now residing at Sacramento.

## Goodwin Knight Slated To Speak At Local Session

Preparations are underway to welcome Lieut. Gov. Goodwin J. Knight of California when he visits the Truckee and Lake Tahoe area on Friday, June 13. The Truckee 20-30 Club will host a dinner meeting at the Tahoe — Truckee high school that evening at which Knight will be the speaker.

Invitations are being extended to members of other service clubs here, at Lake Tahoe and in Sierra Valley. The committee in charge of planning consists of President L. W. (Skip) Ferdinand, Secretary Al Koolhof and District Governor Harvey Hocker of 20-30.

Robert G. Alderman, executive secretary to the lieutenant governor, declared the tour of the mountain areas was scheduled to avoid any political implications. Knight is not a candidate for any office this year and has timed his visits for after the June 3 primary election. His purpose will simply be to become better acquainted with as many of his constituents as possible and to hear of their problems on their home grounds, Alderman indicated.

Prior to his Truckee visit, Knight will be a guest at a luncheon in Sierra City, arranged by E. C. Stowe of Downville. From Truckee, he will go to Lake Tahoe to spend the night and leaves there for Dunsmuir the next day.

## TRUCKEE P. U. D. IS MOVING INTO RUSSI BUILDING

The Russi building at the Masonic Hall, which for many years was operated as a meat market, is being remodeled to house the offices of the Truckee Public Utility District.

The district plans to be in the new location early in June, according to C. Edmunds, the manager.

For the past several years, the office of the district has been in the Polyanich building adjoining the California Cafe but a pending real estate transaction involving the present site made it necessary to find a new location.

During the past winter, the Russi building has been used as a warehouse by the Truckee Coca-Cola Bottling Company but completion of the new bridge over the Truckee River made the warehouse no longer necessary as deliveries are now possible from the bottling plant.

Details of the transaction involving the Polyanich property are expected to be announced shortly.

## Calkins Baby Is Injured In Freak Auto Accident

Little Lynn Calkins, 14 months old daughter of Mrs. Marjorie Calkins of Truckee, suffered a broken ankle in a freak automobile accident on the main street here last week.

The baby was sitting on the lap of Mrs. Harvey Hocker and in some manner put one foot in the steering wheel just as the driver started to turn the corner at Spring Street onto the highway. Mrs. Hocker lost control and the vehicle crashed into three parked cars belonging to John Shields of Auburn, Walter Loynd and W. C. Gage of Truckee.

The baby's ankle was injured when Mrs. Hocker attempted to straighten the car after making the turn.

## Reno Banker Speaks Before Lions and Sons

Jordan J. Crouch, vice president in charge of public relations and business expansion for the First National Bank of Nevada at Reno, spoke before members of the Lions Club and their guests last night on the subject of "Making, Saving and Investing Money."

It was Father and Son Night at the club and members who did not bring their own sons were hosts to local high school boys. Royal Elf was program chairman and Robert Seibold presided.

## CHAMBER MEETING

A meeting of the Truckee Chamber of Commerce will be held at Brown's Cafe this evening at 6:30 o'clock. All members are urged to attend.

## First Forest Fire Fought As Rules Go Into Effect

### Transient Tramp Blamed For Starting Fire Near Tracks

The Truckee district experienced its first forest fire of the season Sunday about noon.

An itinerant hobo was blamed by Forest Ranger E. E. Boehm for starting a fire in the dry brush and grass near the Southern Pacific tracks half a mile west of Truckee. The flames spread over more than a quarter of an acre before being brought under control by the district fire suppression crew, assisted by volunteers from among employees of George Kaspian, Truckee Lumber and logging operator.

The loss was confined to brush and grass as the fire fighters prevented the flames from reaching trees in the area.

The fire should serve as a warning that, despite the heavy storms during the past winter, the recent warm weather has created a hazard which cannot be ignored.

Guerdon Ellis, supervisor of the Tahoe National Forest, announced the following fire restrictions will become effective June 1.

The smoking ordinances in effect in Nevada, Placer and Sierra Counties are essentially uniform and prohibit smoking as follows:

1. It is illegal to smoke in areas which, because of extreme fire hazard, are specifically posted to prohibit smoking.

2. It is illegal to smoke in motion on foot, cycle or domestic animals in the forest.

The ordinances provide:

1. You may smoke in an automobile or other vehicle on any road.

2. You may smoke in the forest providing that you are stopped within a cleared or barren area of at least three feet in diameter, providing smoking substances are completely extinguished before being discarded.

3. You may smoke in established camps and at places of habitation.

State fire laws require that:

1. You do not throw any burning substances from an automobile or other vehicle.

2. That you secure a campfire permit before lighting or maintaining a camp or warming fire on National Forest land.

Ellis points out that federal regulations prohibit the discharge of fireworks on any portion of a National Forest and that the possession of or discharge of tracer bullets is unlawful.

Ellis urges all forest users to constantly think of preventing fires. "It is so easy to be careful," he says, "if we have it in mind to try."

## BORDER STATION AT BROCKWAY IS DISCONTINUED

The Brockway quarantine station is a thing of the past.

The personnel, Harry Charrison and Arnold Miedema, are now operating at the temporary station two miles south of the Tahoe Wye on Highway 89 where a structure has been erected for inspection purposes.

The new station is under Charles Kay's charge and men from the Truckee station as well as from Brockway will man the unit.

The setup is temporary and will be abandoned as soon as the new Truckee station to be erected just west of the Tahoe Wye on Highway 40 is completed, W. C. Gage, inspector in charge, announced.

Gage said a number of requests have been made to the forest service for buying or leasing the land where the present Truckee station stands four miles east of here but said that no commercial business will be permitted. He said the materials at the station likely will be sold for salvage.

## Sunshine Girls Will Name Officers June 28

Mrs. Hazel Roberts, who has been active in organizing the Donner Council of Pythian Sunshine Girls, announces that a meeting will be held at Odd Fellows hall Saturday evening, June 28, at which officers will be named and other business transacted.

Twenty-four girls have signed up as members in the new group.

## Around-the-Lake Road Finally Cleared of Snow

T. T. Buell, district highway superintendent, today announced that the Emerald Bay road at Lake Tahoe was opened to traffic this morning as the last 16-foot pack of icy snow, rocks and trees was removed by the division crews. This means that the highway around the lake is now completely open.

## HOW MANY MORE ?

### Truckee, Lake Tahoe Men Renamed on Board Of Boy Scouting Council

TAHOE CITY— Clarence Beavers of Tahoe Park attended the annual recognition dinner held by the Tahoe Area Council of the Boy Scouts of America Sunday, May 25, in the Veterans Memorial Hall in Auburn as a representative of the Tahoe-Truckee district.

Charles W. Lauppe of Roseville was reelected president of the Tahoe Area Council's executive board, as were board members Robert C. Gifford and Dr. L. D. Nelson of Truckee. Beavers was elected a member of executive board of the council and Tahoe-Truckee district chairman, with Scoutmasters Bob Stark, Tahoe City; Clarence Osburn, Truckee; W. D. Randall, Kings Beach; Cubmasters Harvey Hocker, Truckee; Pascal Huega, Tahoe City; Walt Manville, Kings Beach.

The panel of nominees presented by the nominating committee for 1952 was approved by the executive board and it was voted they be accepted and installed immediately.

Principal discussion of the session was the five-year program presented for the Scouts of Nevada, Placer and Sierra counties which was approved by the executive board. The plan calls for the increase in number of boys to be served as follows: Cub Scout age (8-10) from 71 per cent now to as near 100 per cent as program will permit; Boy Scout ages (11-13) 55 per cent now; Explorer age group (14-17) 23 per cent now.

In 1946 Scouting in the council served 1135 boys; in 1951 the number had risen to 2344 and by 1956, at the completion of the proposed five-year program, figuring an increase of 10 per cent a year, boys served should total 3481, an addition of 30 units, which will require additional staff members at headquarters to take care of the increases.

### Tahoe Hi School Institute to Study Peace Problems

Boys and girls from California high schools will study world peace problems at the second annual High School Institute of International Relations to be held under the auspices of the American Friends Service Committee (Quakers) June 22 to 29 at the Lake Tahoe Zephyr Point Conference grounds.

The institute will offer a seven-day program with discussion periods under the direction of the faculty. During these periods the students will explore such problems as alternatives to war, the relationship between freedom and peace, the relationship between hunger and peace, the role of the United Nations, and responsibility

ities of young Americans today.

The daily schedule will also provide recreation such as group singing, folk dancing, hiking, swimming and volley ball. A \$35 charge will cover tuition, board and room. Any high school student in the 10th, 11th or 12th grades during the 1951-52 school year is eligible to attend. Registration should be arranged with Harold Blickenstaff, High School Secretary of the AFSC Northern California Regional Office, 1830 Sutter Street, San Francisco.

### At Homewood—

Mr. and Mrs. C. Don Huff of Woodland are at their Homewood Resort, preparing for its opening soon.

San Francisco has a total of 27,031 street lights in operation.

### Kings Beach Boy Scouts Undertake Project Reforesting Burned Area

TAHOE CITY— On Saturday, May 24, twelve members of the Kings Beach Boy Scout troop, under the direction of Max Krueger, assistant Scoutmaster, planted a total of 600 young Jeffrey pines along the Big Bald Mountain burn on the ridge northwest of Carnelian Bay.

The trees were planted at six foot intervals in a plot which had been allotted and marked by metal markers. Fire devastated the area in 1949. The young trees, ranging around 12 inches high, were grown

in the Mount Shasta nursery and some were hybridized to increase the growth to conform with these mountain environments and extreme conditions prevailing in the winter.

The Kings Beach Boy Scouts have assumed the responsibility of caring for the trees and if rain does not fall within the next two weeks here, the boys will have to go back and water the trees, a job almost as strenuous as the planting which consumed most of the day.

Well pleased with the job were Nelson Stone, fire control assistant of the Truckee ranger district, and Clarence Beavers of the Tahoe Park stations.

### Young Boy Drowns After Tumble from Pier

GLENBROOK— Douglas Wood Bradley, seven, West Sacramento, was drowned Sunday morning when he fell off a pier at Zephyr Point into Lake Tahoe.

The son of Rev. and Mrs. Joseph M. Bradley was playing on the pier when he lost his balance and fell into the lake. Two and a half hours of attempts to revive him proved futile and he was pronounced dead on arrival at a Carson City hospital.

His father had been attending a meeting of church officials at the Presbyterian Lake Tahoe conference grounds.

### Tahoe Chamber Manager At Strawberry Confab

TAHOE CITY— Carrol Raymond, manager-secretary for the Lake Tahoe Chamber of Commerce, attended the fourth annual management clinic sponsored by the Sacramento Regional Chamber of Commerce extension association and held at Strawberry Lodge May 24 and 25. Moderator was Paul M. Clark and prominent authorities discussed various problems facing chambers of commerce.

Saturday evening, after dinner, a large contingent of the guests motored to the Lake Tahoe area, followed by a visit to Reno. Sunday morning, a general panel discussion was held at Strawberry between the experts and managers and secretaries concerning mutual problems.

According to Miss Raymond, an unprecedented number of inquiries are being made already by tourists and mail regarding facilities in the lake region. Despite a late start because of the heavy winter, resort owners are anticipating an exceptionally busy season.

### Placer County Wins Suit Over Tahoe Roads

AUBURN— An action contesting ownership of certain roads at Lake Tahoe was decided in favor of Placer County by Judge W. T. Belieu. The action was brought by the Brockway Land and Water Company in a quiet title suit against the county. The suit was instigated when the county attempted to make improvements on the roads in question.

In ruling against the company, Judge Belieu stated the plaintiffs had failed to establish title to the premises and should take nothing.

### Jury Finds for Plaintiffs In Lake Sewer Suit

AUBURN— Damages of \$9561 were awarded Mr. and Mrs. Frank W. James of Tahoe Vista against a contractor, three individual directors of the North Tahoe Public Utility District, and its general manager after a three day jury trial before Judge Lowell Sparks.

They sued for damages they claimed was caused when a sewer line was built through their property by P. and J. Artkovich, contractors. Utility directors defendant in the action are H. E. Brooks, Tom Sutton and Joe King. The NTPUD manager is A. E. Abbott. The utility district as such was not named in the action.

A spokesman for the defendants stated that the verdict will be appealed.

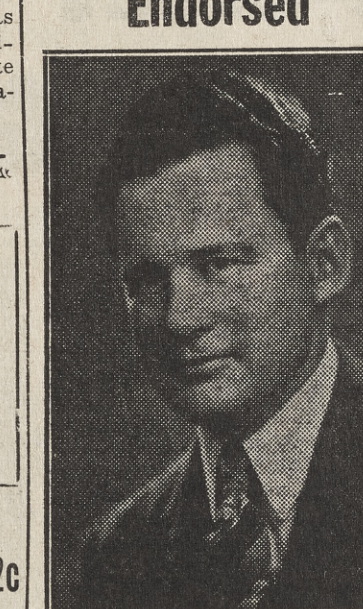

### Many Summer Residents Returning to Tahoe

LAKE TAHOE— A number of summer residents of Lake Tahoe are daily arriving, among them the Max Bretzfelders of Hollywood who are settled at Tahoe City; the M. C. Harts returning to Tahoe Vista from Reno; the V. Franklins, Los Angeles to Lake Forest; Stella Watson, Shingle to Tahoe City; Mr. and Mrs. Carl Wheat, back at Tahoe City from Las Vegas; John Neronde of Sacramento, once more at Tahoe City; the A. R. Specht family of San Francisco will soon open their place at Tahoma.

### Communicable Diseases

The state department of public health reports 3580 cases of measles, 1744 of chickenpox and 1313 of mumps in California last week. The department said there were 22 cases of polio reported to its offices during the week.

### Tallac Motel Man Dies In Spooner Accident

TALLAC— The owner of a Tallac motel was killed outright and his wife was critically injured when their automobile ran off the highway near Spooner Summit.

Dear was Richard Herd, 50. His widow, Sheila, 46, was under treatment for multiple injuries in a Carson City hospital.

The couple were en route home after celebrating Mrs. Herd's birthday at Minden. Their car reportedly hit a detour sign near a slide on the highway and went out of control, hurtling over an embankment and rolling nearly 100 feet.

The Herds formerly lived at Palm Springs and Taft, where he was in business.

### Two Critically Injured In Dynamite Blast

GLENBROOK— Two Bijou men were seriously hurt last Thursday afternoon when dynamite held by one exploded prematurely near Zephyr Cove.

Both Tommy Stewart, 25, and Richard LaVee, 60, were rushed to a Carson City hospital for treatment.

According to reports, the men were blasting old pilings at the end of the Zephyr Cove pier when a stick of dynamite held by Stewart exploded, setting off a second stick in his pocket. LaVee was standing nearby. Constable William Stambaugh said no definite cause for the premature detonation had been determined.

**Candidates' Night Meet  
Held in Community Hall**

TAHOE CITY—A special meet-  
ing was held Wednesday evening  
in Tahoe City community hall at  
which candidates for local justice  
of the peace and 5th district su-  
pervisor were invited to present

their platforms. Mrs. I. D. Mitchell  
of Tahoe Park was instrumental  
in calling the session to give local  
residents an opportunity to meet  
the men aspiring to the posts.  
Judge C. W. Vernon of Tahoe  
City and Judge Harry Charrison  
of Kings Beach are contestants for  
the office of justice of the peace

for the new consolidated court.  
Supervisor L. L. Anderson is op-  
posed by Clifford Hills, both of  
Forest Hill, in the June 3 election.  
Mrs. Mitchell reports a new or-  
Tahoe Area Improvement Council,  
ganization, to be known as the  
will be formed in the near future  
to include the district from Bliss  
Park to Squaw Valley and Brock-

Snow on Tahoe Road**

TAHOE CITY—Al Sangster,  
state highway foreman at Tahoe  
City, said Monday that crews were  
working on reopening the highway  
around Emerald Bay. A bulldozer  
was preceding the snow as the  
big slide between Eagle Creek and  
Inspiration Point was estimated  
to be at least 15 feet deep and the  
snow was packed as hard as rock.  
Another 200 to 300 yards remain-  
ed to be dug through and, barring  
unforeseen delays, the highway  
was expected to be open by Wed-  
nesday night.

is a Vote of Confidence

PRIMARY ELECTION: JUNE 3, 1952

**ON HIS RECORD**

SINCE IT IS IMPOSSIBLE for any candidate for public office to personally meet and talk  
with 11,096 voters between March 1st and June 3rd, it has not been possible for me to per-  
sonally meet and talk with all the voters of Nevada County. I am, therefore, taking this means of  
bringing before you my candidacy for re-election to the office of Judge of your Superior Court.

I AM STANDING on my record of accomplishment during my one term in office. Six  
years ago, when you elected me to be your Superior Court Judge, I promised that I would conduct  
that office Honestly, Conscientiously, Sincerely, and Economically, and would, above all things,  
decide every case submitted to me without fear or favor, and with Justice and Fairness to all.  
My record as Judge proves that I have kept this promise and have done all things that I prom-  
ised to do.

SINCE I HAVE NOW had six years experience as Judge of the Superior Court, I am by  
reason thereof better qualified and fitted to continue to perform the important duties of that  
office.

I PROMISE YOU that if I am re-elected, I shall continue to conduct the duties of Judge of  
the Superior Court Honestly, Conscientiously, Economically, Fearlessly, and above all with  
Justice and Fairness to everyone.

VERY SINCERELY YOURS,

## SWANEE'S Tahoe Letter

Tahoe City, May 26

Dear Tahoeites:

Friday, May 30, will be Memorial Day and never does this important date dawn but I remember our little local cemetery just above the golf course, shaded by the pines and dotted in spring with pale pink and lavender anemone. It has fallen sadly to disrepair and is all but forgotten by the local citizenry. Last year I was delegated by the Women's Club of Tahoe to investigate its condition and see what could be done in cleaning it up and placing a new fence about its some 200 square feet. I did confer with Bert Watson, who for years has taken charge of funerals there and did what he could to decorate the graves on the day dedicated to our nation's dead. The season was late and we failed to get together on any definite plans before snow flew. Today, a little late but better than never, I took up the cause once more and found ready cooperation from two local lumber yards, Truckee-Tahoe Lumber Company and Snyder's. Both A. A. Snyder and Charlie Cross offered to donate sufficient lumber to construct a new fence, for which I know the townsfolk will be most

grateful. The only thing needed now is labor to put it in. It still remains a project for the altruistic Women's Club, who are willing to pay, but wouldn't it be nice if that labor could be donated too? It's such a little plot and it would be such a nice gesture with very little effort involved.

Fern Schlueter is back from her Hawaiian cruise, readying her home and cabins for summer. She found the cabins in good shape but her basement is flooded and her furnace unusable. She reports the George Mortimers, her neighbors across the street, due in soon from Sacramento where they wintered. Mortimer suffered a light heart attack not long ago and he will spend at least six months this year at his Tahoe home relaxing.

Fishing continues spotty, according to latest reports in this area. Largest fish over the weekend at Tahoe Boat Company reportedly was taken by Johnnie Fierri of Reno and weighed 18 pounds. Bill Becholdt and Vern Bartel both hooked nice mackinaw Sunday, 4½ and 4 pounds respectively. Betty Baker last week landed two nice two pound silvers, the first success at fishing from a pier, which husband Jim got nary a nibble. Mr. and Mrs. Charles Haine of Oakland, up over the weekend for a vacation which included visits with the Bud Scotts, landed a four pound silver from the Bert Scott's pier near Tahoe Tavern. Their small son, Scottie, remained at home with grandparents, the Bert Scotts of Piedmont.

Pat Duane, daughter of the Jack Dunnes of Tahoe City, vacationed here recently from St. Mary's hospital in S.F., where she graduates as a nurse in August. Mr. and Mrs. Harold Farr of Oakland will arrive soon to spend the holidays at her parents' (the C. W. Ver-

non) home in town. Sam Neff is back to manage the Railway Express and PMT at Tahoe Tavern. Mr. and Mrs. Al Herman of Hollywood were in for a few days last week to inspect their summer home in Pineland, returning for the season around Memorial Day. Pat Riley of Squaw Valley is vacationing in Los Angeles for another week. Loren Holmwood, renowned portrait artist with property investments up Ward Creek and in Tahoe City, is due in any day now for the summer. Members of the J. G. Baldocchi family of Antioch visited the family summer home in Timberland last week, wintering at their home in Palm Springs. George Chambers is due in Wednesday from his home in San Leandro to open Chambers' Lodge, which he will manage this summer. Mrs. Mitzi Cochran of Berkeley enjoyed a visit with her son in law and daughter, Mr. and Mrs. James Baker, last week. Mr. and Mrs. Frank Silver of Oakland have arrived at Tahoe Park for the summer.

Mrs. Jack Starratt of Tahoe City returned home Sunday from a Reno hospital, accompanied by the newest addition to the Starratt family, daughter Sarah Lee, born May 17, weight seven pounds. The

Starratt's other daughter, Elizabeth Anne, celebrated her first birthday May 15.

Two things to remember: Election Day Tuesday, June 3, 7 a.m. to 7 p.m., and Women's Club of Tahoe spring luncheon June 5, Tahoe Inn, 1 p.m. Reservations with Mrs. J. Mitchell, Tahoe City 816R, or Louise Geier, Tahoe City 66M.

Leave you for the week with the time-worn warning: Drive

### Judge Vernon Candidate On Basis of Record

TAHOE CITY— Justice of the Peace C. W. Vernon of Tahoe City, incumbent for Township 11, is asking retention in office by the Tahoe electors June 3 on his record of six years service.

Vernon has been a permanent resident, with his family, of Lake Tahoe for the past 30 years and

summered here for a decade prior to that. He owns a home and business building in Tahoe City and has always taken an interest in the civic affairs of the community. He is president of the Tahoe City Public Utility District and has been for the past eight years; he is a director of the Tahoe City fire protection district; is treasurer of the Lake Tahoe chamber of commerce and a member of

### To the Voters of Tahoe and Brockway Election Precincts

I had planned to call on all of you on my campaign for re-election before the June 3rd Primary Election but time has not permitted it and now my duties as Justice of the Peace are increasing along with other civic official duties, so I probably will not be able to contact more of my acquaintances and meet those I have not known.

I must now rely upon my friends and those of lesser acquaintance who know my reputation and believe in my ability to fill the office of Judge of the Tahoe Judicial District Court when it becomes operative next January 5th.

Sometimes I wonder why people seek such an office. While the office of a Judge is considered as among the most honored public offices in our land and the duties are interesting, they seldom are pleasant. In criminal actions a Judge must assess fines, send people to jail and include probation in some cases on pleas of guilty, or if found guilty. There are cases that go to trial that are very difficult to decide. The Judge realizes that a verdict for one party will result in praise of many while an opposite verdict will bring condemnation from the many and satisfaction to a few. He is sworn on his oath to uphold our Constitution and our laws. The theme

of our Constitution is Justice—and Justice is my motto.

I have had criminal cases with testimony so evenly balanced, or seemingly so, that to give a conscientious decision I relied on the Code as old as our Courts, namely "A defendant in a criminal action is presumed to be innocent until the contrary is proved, and in case of a reasonable doubt whether his guilt is satisfactorily shown, he is entitled to an acquittal, but the effect of this presumption is only to place upon the state the burden of proving him guilty beyond a reasonable doubt, etc. etc."

Many of you have sat on juries or heard the instructions given. In all of my case decisions during my five and one half years as Justice of the Peace I have relied entirely on evidence presented at the trial and given a conscientious and impartial decision. I shall continue to do so for the rest of my current term and if re-elected I promise you to carry on as my conscience dictates after due consideration of evidence.

I appreciate volunteered assurance of support from my many friends and acquaintances and I now leave the matter to the decision of the voters.

Judge C. W. Vernon

the Tahoe City Rotary Club.

Judge Vernon was appointed deputy juvenile judge by Superior Judge Lowell Sparks and is vitally concerned with aiding the younger generation with their problems. If re-elected, he has pledged continued "fair and conscientious administration of the office."

### Lake Rotary Clubs Unite For Ladies Night Party

TAHOE CITY— The joint meeting of the Tahoe City and Brockway Rotarians was held at Tahoe Inn recently, featuring Ladies Night. The ladies were met by Mrs. Alma Guth who presented each with an iris corsage, the men receiving conical hats. Following cocktails in the lobby, a delicious chicken dinner was enjoyed by approximately 100 members and guests.

Denis Sach, incoming president of the Tahoe City group, made the arrangements for the social event and was assisted by Bob

Wray, Warren Urch and Howard Guth. Master of ceremonies for the evening of fun was Robert Stoddard of Reno, incoming president of Reno Rotarians.

Roy Porath, incoming president of the Brockway Rotary Club was presented with an appropriate gift. Mrs. Genevieve Sederberg accompanied the group for community singing during the evening.

### Thailand Scientist Visits Tahoe on Weekend

TAHOE CITY— Two distinguished visitors spent the weekend at Tahoe Inn. They are Mrs. Nelson F. Davis of San Mateo, state chairman of fellowship for the American Association of University Women, and Miss Krisna Tantaranon, brilliant exchange student from Thailand (Siam).

The pair arrived in Nevada City Friday to begin their weekend stay and were entertained by the Nevada City branch of the AAUW, having luncheon at Rainbow Tav-

ern on Saturday, where both visitors spoke. On Saturday afternoon they were brought to Tahoe City where they were guests that evening at dinner at Tahoe Inn. Sunday morning they were joined for breakfast by Mrs. Solveig Beavers of Tahoe Park, membership chairman for the Tahoe-Sierra branch of the AAUW here.

Mrs. Beavers enjoyed her visit and was greatly impressed by 25-year-old Miss Tantaranon, who is the very first chemist, male or female, to come to this country from Thailand under the exchange student plan. Miss Tantaranon is working on research in the extraction of potassium salt from bittern, a by-product of sea water. Her country is urgent need of potassium for fertilizer. She is studying on an international fellowship grant in inorganic chemistry at the University of California at Berkeley.

Following breakfast, Mrs. Beavers took the visitors around the lake, showing them the various resorts and other spots of interest. They were overwhelmed by the beauty of the Sierra country, snapped pictures right and left and were loath to go home. They will again be invited to Tahoe this summer by the Tahoe-Sierra AAUW, at which time special entertainment will be provided.

### North Lake Re-Zone Plan Hearing on June 9

AUBURN— Placer County supervisors will hold a public hearing June 9 at 10 a.m. in the court house on a proposed new zoning ordinance enlarging the commercial and multiple building zones of Area 6 on the northeast shore of Lake Tahoe.

The county planning commission recommended adoption at its session in Auburn this week. Area 6 includes portions of Tahoe Vista, Brockway and Kings Beach.

Attorney Dan Higgins, representing H. H. Young of Glendale,

appeared in opposition. The planning commission stated Young's Tahoe property was three blocks outside the affected area. H. O. Comstock of Brockway, who appeared at the first hearing to request action be delayed, did not

appear at this week's meeting. The earlier hearing drew a large delegation favoring the expansion program.

California has more tree farms than any other western state.

**Local School Gets Share  
of Foundation Money  
for Research on Reading**

The Rosenberg Foundation of San Francisco has added \$13,142 to last year's original grant of \$14,000 in support of the regional project in secondary education. This project includes Placer Union High School and Tahoe-Truckee Unified High School among its 18 participating schools.

The Auburn and Truckee high schools joined others in northern California to form the regional project, which has been operating since last fall. The project is a cooperative undertaking by educators in public secondary schools, county offices of education, state colleges and the state department of education. Its purpose is to improve education for youth by pooling information and know-how from all cooperating agencies.

Superintendent Everett V. O'Rourke, Principal Chilton King Jr. and other members of the Tahoe-Truckee faculty have as their project the improvement of reading ability of pupils. They have been giving special attention to those who need individual help and general attention to reading as an important tool of learning.

Working closely with the faculties in Placer and Tahoe-Truckee are County Superintendent Albert Bequette and Francis G. Burke, curriculum director of the Placer County schools. Help is also available from cooperating college faculties and from the state department of education.

Mr. and Mrs. Bernard Barrett, who lived at Kingvale during the winter, recently changed their address to San Francisco.

**State Puts Stay Limits  
On Park Camps at  
Lake Tahoe and Donner**

SACRAMENTO—“Last year's crowds and an expectancy of greater numbers of visitors in camping parks this year has forced us to recommend 10 day camping limits in certain of the most popular state parks for the coming summer,” Newton Drury, chief of the state division of beaches and parks, states. “This represents an attempt to provide outdoor recreation to a greater number of families than could otherwise be accommodated with present facilities.”

The state park commission has

approved 10-day camping limits at D. L. Bliss State Park at Lake Tahoe (El Dorado County) and five other especially popular state parks. The customary 15-day limits have been established at Donner Memorial State Park near Truckee, Tahoe State Park in Placer County and 23 others.

For all other parks the limit is 30 days in any one park for the season. No reservations are taken. The state park system consists of 50 parks, 43 beaches and 21 historical monuments.

A total increase in attendance of 45.8 per cent for all units was recorded and estimated for 1951.

**McIVER ISSUES  
STATEMENT  
COVERING  
EXPERIENCE AND  
QUALIFICATIONS:**

I wish to convey to voters of this district, my aims and qualifications in seeking the office of supervisor, whom you will elect this coming June 3, 1952.

First, I have worked with and for the various supervisors in this district, starting with John Fay, Roddy McClellan, Charles Hope, Alex Robertson and the incumbent which covers approximately forty years.

In this time I have become acquainted with the various methods of construction from the horse and buggy days up through the present system of mechanization, and feel that I am fully qualified to cope with any part of it.

I have had four winters experience in snow removal in this district, plus four winters as equipment operator for the Division of Highways on Donner Summit. This I feel is ample experience in this department.

I realize that the supervisor is the man who sets the tax rate, and being a taxpayer myself, you can rest assured that I will guard your best interests in that respect.

At present I have no business or position and I know that the interests of the district and the county can best be served by a man who can give his full time to the job. This is what I propose to do.

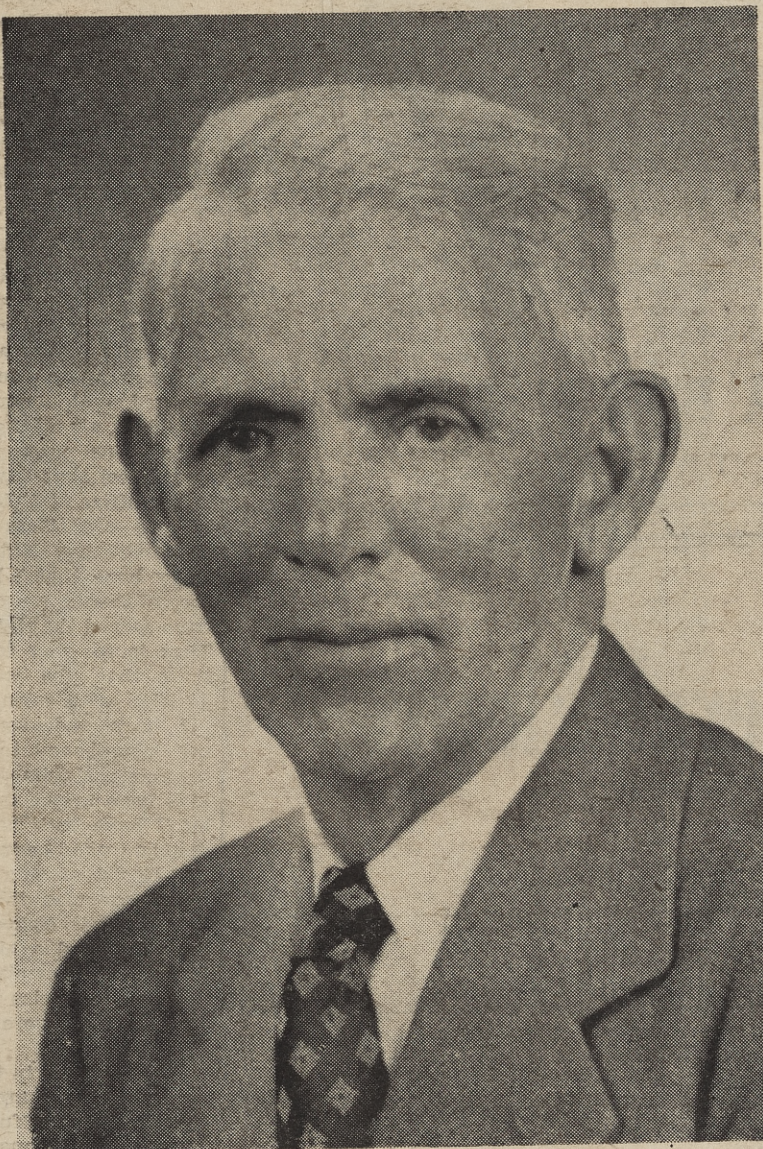

I am not sponsored by any organization or person, nor will I be subservient to anyone, except the voters and taxpayers of this district.

I hope that my aims and qualifications are such as to merit your support for the ensuing four years.

**Governor Warren Aims  
Government Economy  
Views, Raps Democrats**

SACRAMENTO —(C. N. S.)—Governor Earl Warren has made a nation-wide plea for governmental economy when he declared that the looseness of current federal spending represents a dangerous trend.

“Economy is more a state of mind than positive law,” the governor said in response to a question in an interview, “more a matter of good housekeeping than legal magic.”

“It calls for thrift, sound management and a determination to live within our means.”

“This is true whether we are dealing with the finances of a home, a business or a government. The principles involved in financing all of them are identical. Spending habits either maintain solvency or lead eventually to insolvency.”

The governor pointed out mere

spending of money cannot solve domestic and foreign problems and at the same time maintain political control. He declared a “day of reckoning” will arrive.

“There must be a determination,” he said, “to stop the deficit financing which for the last 20 years has become the pattern of spending in times of peace as well as in times of war.”

Warren asserted the Democratic administration for 20 years has demonstrated no concern over the change in national spending habits and declared the country needs a Republican administration.

### (Political Advertisement) CITIZENS URGED TO EXERCISE RIGHT OF BALLOT TUESDAY

In five more days you will be given an opportunity to exercise your right as an American citizen—you will be privileged to vote for the representatives of your choice. In so doing you are charged with a duty which you should by all means accomplish.

As your present representative, I feel that I would be remiss in my office if I did not urge you to vote—regardless of your choice of candidates. Naturally, I have every hope that I have conducted the affairs of my office so that I have earned the right to reelection. That is for you to decide and I trust that you will weigh your decision with fairness.

I have endeavored throughout my incumbency to be as fair as possible. Maybe misunderstandings have arisen in some quarters but I have tried hard to give this district good administration on the Board of Supervisors and in other agencies in which I have been active. Appropriations have been obtained against odds and I have never permitted other districts or agencies to appropriate funds which were rightfully due this area.

The progress in this district can continue. There are many projects planned for the future which will improve conditions, increase property values and make this a still better community and district in which to reside. These things cannot be done without the knowledge and ability to secure appropriations designed for the purpose; nor can they be done without a consistent watchfulness and keeping evelasting pace with the changing legislation and governmental procedure.

My record has proven that I am in possession of the qualities necessary to enforce this progress and I do not hesitate to promise that if re-elected next Tuesday, I will continue my fight for this district, its various political subdivisions and its residents. Your cooperation is vital and I sincerely urge that you vote Tuesday for the candidates you feel in your heart will best serve our district and community.

In closing my campaign for reelection, I wish to express my thanks to the many friends who have encouraged me through their support during my incumbency. Without your help, the job we have done would have been impossible.

HENRY G. LOEHR

JOE, DON'T TELL ME YOU'RE FINALLY GOING TO BUILD THAT BARBECUE!

# JOE INKS

by HENRY FORMHALS

JOE!... WHAT ON EARTH?

MY NEW BARBECUE'S FINISHED AN' TODAY'S TH' CHRISTENING! I'VE BOUGHT A COUPLA NICE THICK SIRLOINS AN' I'M GONNA BE TH' CHEF!

NOW SCRAM! THIS IS MY PROJECT! IF YOU WANTA BE USEFUL YOU CAN GO IN TH' KITCHEN AN' WHIP UP A SALAD!

WELL, ALL RIGHT-- BUT I DO KNOW A LITTLE MORE ABOUT COOKING THAN YOU DO, AND I'D HATE TO HAVE ANYTHING HAPPEN TO THOSE STEAKS!

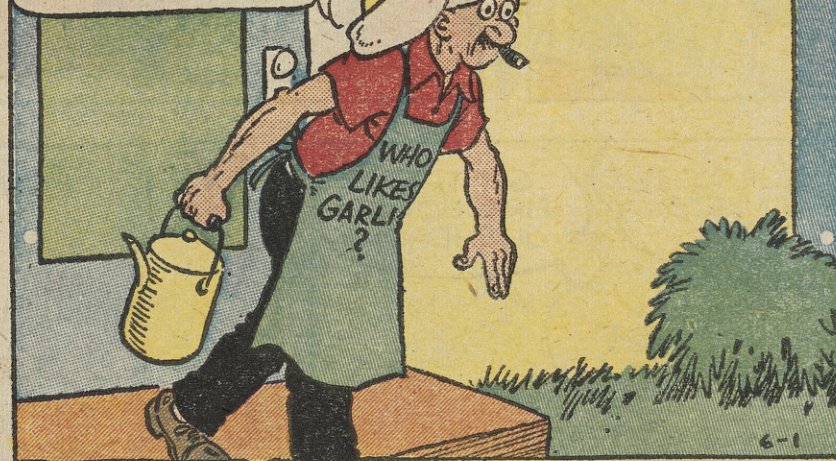

WOMEN NEVER WILL GIVE A MAN CREDIT!

TH' STEAKS ARE SEASONED AND EV'RYTHING'S READY--- NOW WHAT TH' HECK'S WRONG WITH THIS CHARCOAL! IT WON'T LIGHT!

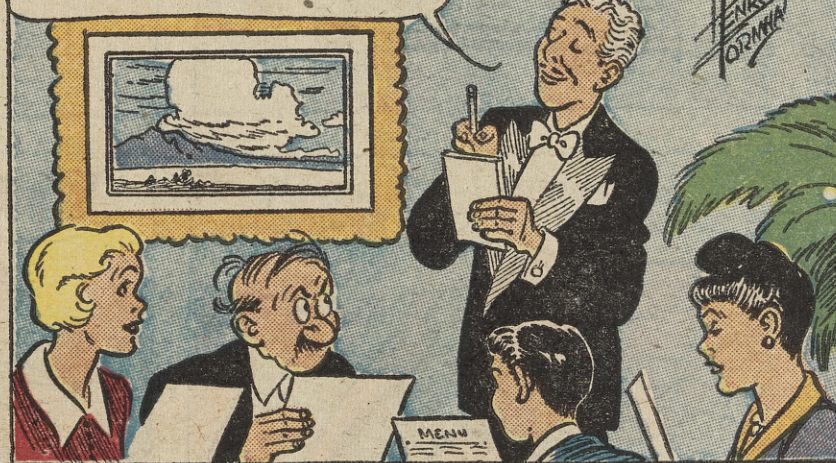

MAYBE A LITTLE COAL OIL WILL HELP!

HELP! FIRE!

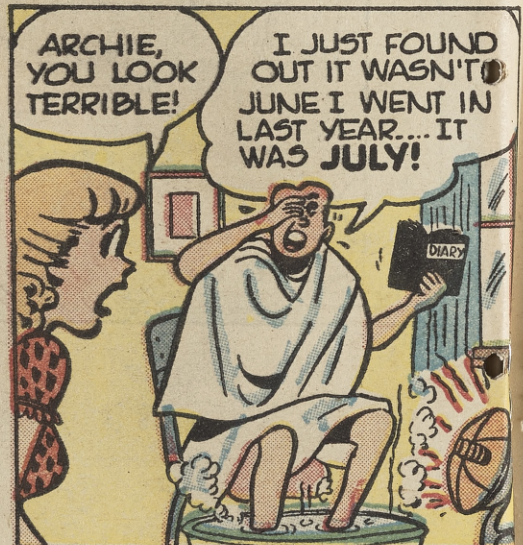

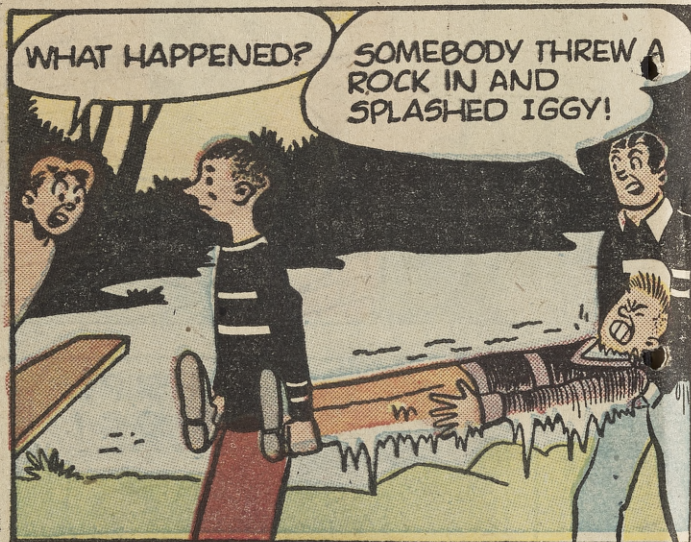

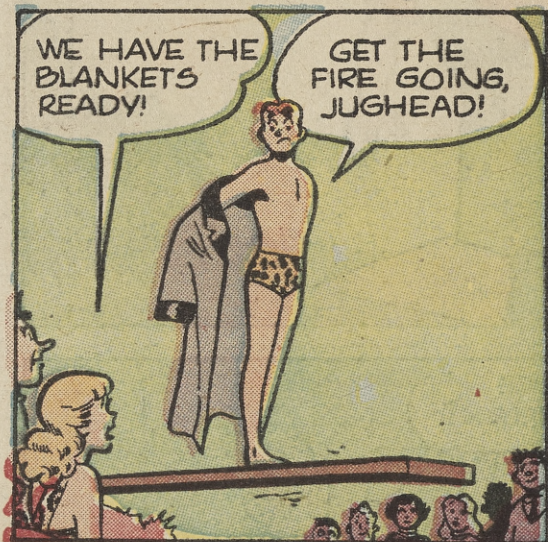

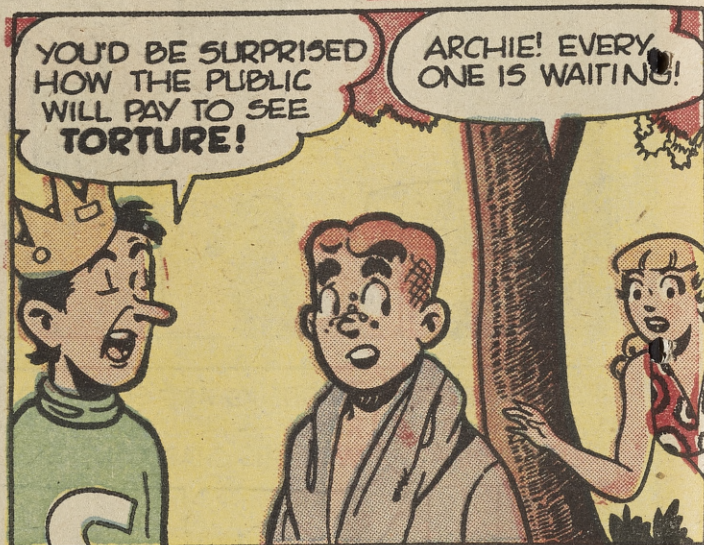

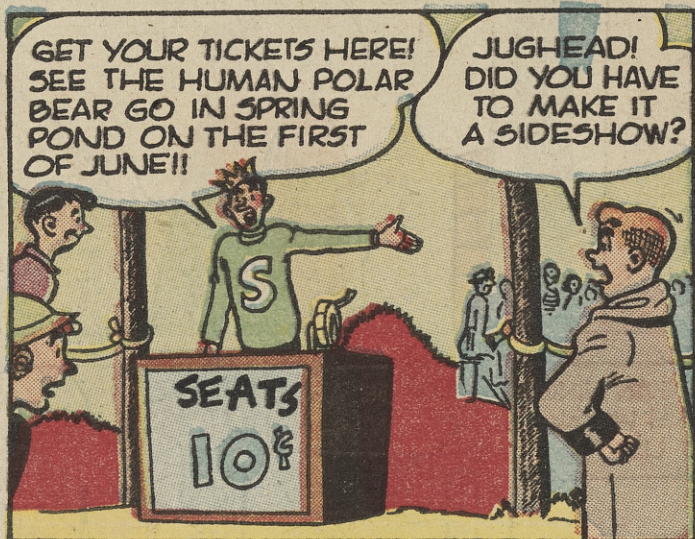

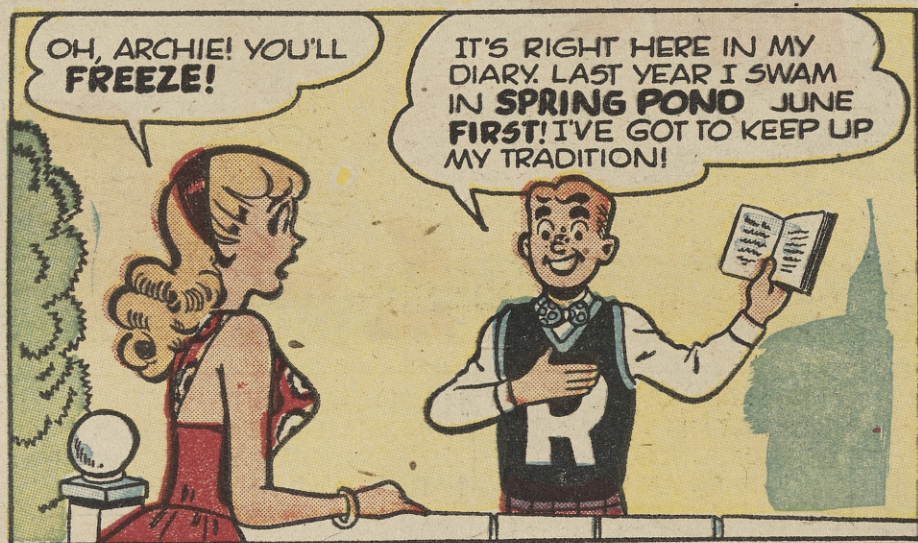

MAY I SUGGEST A NICE CHARCOAL BROILED SIRLOIN?
